**VALUE** – our portfolio includes a comprehensive selection of very competitively priced name brand and value added products

**SELECTION** – we are an authorized distributor specializing in Seiko, SOMO and Essilor brands and carry a full offering of clear, anti-reflective, photochromic, polarized, and blue protect products

**CONSOLIDATE** – order stock lenses online with your contact lens orders to meet minimum freight thresholds and freight savings

**INDEPENDENCE** – we're an independent like you and we want to support independents like us so we are stronger in working together

**ONE BILL** – when you order stock lenses with your contact lenses you only have one monthly statement to reconcile-  
**SAVING YOU TIME AND MONEY**
